

Planning Forester

and

Harvesting Forester

- **Both roles are based in beautiful North Eastern Victoria**
- **Plentiful lifestyle opportunities**
- **Be a part of a successful company**

HVP Plantations is a successful privately owned manager of extensive timber plantations across Victoria.

People successful at HVP are self-motivated, innovative and thrive working in a small team and a fast paced environment. They value safety, regional communities, environmental care and sustainability.

Planning Forester (based in Myrtleford)

The Planning Forester role is to ensure the timely delivery of operational plans for the harvesting and silvicultural teams.

Skills required include –

- Good planning skills and proficient in the use of GIS systems – preferably ArcGIS.
- Coordination and management of stewardship projects.
- A good eye for detail is required together with communication skills.
- The ability to balance and prioritise workloads.
- Applicants will work well in teams but also autonomously.
- Harvesting experience and/or a relevant tertiary qualification would be well regarded but are not mandatory.

Harvesting Forester (based in Shelley, near Tallangatta)

This important role is responsible for the oversight of plantation harvesting crews in meeting safety, environmental, production and delivery targets.

Skills required include -

- Harvesting experience.
- Field management and planning of road construction and maintenance activities.
- Experience in directing and negotiating with contractors.
- Good communication and team skills.
- The ability to balance and prioritise workloads.
- A relevant tertiary qualification would be well regarded but is not mandatory.

Other information

- All applicants must be prepared to fulfil a role in HVP's fire suppression activities. These include some weekend and out of hour's duty on a rostered basis. A fire allowance is paid.
- As part of our commitment to health and safety, preferred candidates will undertake drug and alcohol testing.
- A current Driver's Licence is mandatory for these positions.

What you will get in return:

- Competitive remuneration and access to an incentive payment system.
- Part private use of a fully maintained company vehicle
- Relocation assistance is available if required.
- As we are interested in your wellbeing a fitness subsidy is available.
- Intra and interstate travel on a regular basis.

How to Apply
