

Planning Forester

- **Based in Central Gippsland**
- **Great lifestyle opportunities**
- **Be a part of a successful company**

HVP Plantations is a successful privately owned manager of extensive timber plantations across Victoria.

People successful at HVP are self-motivated, innovative and thrive working in a small team and a fast paced environment. They value safety, regional communities, environmental care and sustainability.

The Planning Forester role is to ensure the timely delivery of operational plans for the harvesting team. This role includes the preparation of plans in consideration of safety, environmental, community and commercial values, including field reconnaissance of coupes.

Skills required include –

- Good planning skills and proficient in the use of GIS systems – preferably ArcGIS.
- A good eye for detail is required together with communication skills.
- The ability to balance and prioritise workloads.
- Applicants will work well in teams but also autonomously.
- Harvesting and/or roading experience and/or a relevant tertiary qualification would be well regarded but are not mandatory.

Other information

- All applicants must be prepared to fulfil a role in HVP's fire suppression activities. These include some weekend and out of hour's duty on a rostered basis. A fire allowance is paid.
- As part of our commitment to health and safety, preferred candidates will undertake drug and alcohol testing.
- A current Driver's Licence is mandatory for this position.

What you will get in return:

- Competitive remuneration and access to an incentive payment system.
- Part private use of a fully maintained company vehicle
- Relocation assistance is available if required.
- As we are interested in your wellbeing, a fitness subsidy is available.
